

# Indigent Cremation Reimbursement Grant Form

The Indigent Burial and Funeral Fund was established in 2007 by the City of St. Louis Circuit Court. The case settlement was split between three community foundations in the state: Greater Kansas City Community Foundation, Greater St. Louis Community Foundation and the Community Foundation of the Ozarks. Each community foundation serves a geographical area of the state; the CFO's covers the 58 counties south of the Missouri river.

The CFO reimburses certain Missouri counties to help cover the cost of indigent cremations. **The current reimbursement rate is up to \$400.** The definition of indigent is that there is no one to cover the cost of the body and the remains will not be released to the family. We do not reimburse to assist funeral homes or families in making up an discrepancy or difference of cost.

**Please complete and submit this form along with the indigent's death certificate and an invoice from the funeral home to be considered. Please contact Zach Clapper at (417) 864-6199 with questions.**
