The Jerry and Tac Caplan Midlife Initiative Grant Program
Community Foundation of the Ozarks

The Jerry & Tac Caplan Midlife Initiative Fund will provide one grant of up to $1,000 to support a Springfield, MO woman in midlife who is working to change the course of her life and take more control over what happens to her. Preference will be given to women in poverty who are nonwhite or who have a physical or mental disability. Applications must be made on behalf of an individual through a nonprofit organization; grant will be provided to the nonprofit organization to administer.

**CANDIDATE REQUIREMENTS**

- Applicant in mid-life (between the ages of 40-55)
- Applicant must be planning to change the course of her life.
- Preference given to the economically disadvantaged, persons of color, or those with a physical or mental challenge.

**CANDIDATE INFORMATION**

Candidate Name ________________________________________________________________

Date of Birth ________________ Age _________

Home Address ________________________________________________________________

City ______________________ State _______________________ Zip______________

Nonprofit agency partner ______________________________________________________

**CANDIDATE SHORT ANSWER**

Describe the mid-life change you would like to make or are in the process of making.
How will you accomplish this change (schooling, training, etc.)?

What costs will be associated with this change, and how can $1,000 help?
