

# ANNUAL REPORT FY22

## SPECIAL SUPPLEMENT

### Funds Established at the CFO

The following are charitable funds established with the CFO and its 53 regional affiliate foundations by individuals, families and organizations across central and southern Missouri as of June 30, 2022. Funds established during the 2022 fiscal year are highlighted in the CFO’s Annual Report FY22, available at [cfozarks.org/arfy22](http://cfozarks.org/arfy22). Funds held with the CFO’s regional affiliate foundations have the affiliate foundation noted in blue; a full list of an affiliate foundation’s funds can be found on each of their webpages at [cfozarks.org/affiliates](http://cfozarks.org/affiliates).

### Agency Partner Capacity Funds

*Non-endowed funds allow the agency flexibility in distributions. Completely liquid and can be withdrawn by the organization at any time. Often used for capital campaigns or reserves, or to take advantage of improved interest earning over a standard checking account.*
